

FLIGHTS OF FANTASY!

Create your own vision of FLIGHT for a Visual Arts Exhibition for primary schools.

Singapore Airlines is celebrating the arrival of the new A380 Airbus flying daily into Melbourne and the arrival a new baby elephant at the Royal Melbourne Zoo with a primary students' art program!

Selected student artworks to be displayed by Singapore Airlines.

AWARDS INCLUDE:

- A tour of the new A380 Aircraft at Melbourne Airport (a whole class excursion, transport provided)
- 2 return tickets to Singapore for the school to use for fund raising (Economy class, excluding taxes/surcharges)
- A visit to see the new baby Asian elephant at the Royal Melbourne Zoo (a whole class excursion, transport provided)
- Art materials to the value of \$500.

TEACHERS, HOW DO YOU GET YOUR STUDENTS INVOLVED?

1. Enter your EXPRESSION OF INTEREST on AEV's website: www.aev.vic.edu.au
2. During October, your students create their own artwork based on the theme of FLIGHT on A3 size paper, in any painting, drawing or collage medium or any 2 dimensional mixed media.
3. Place the student's name, class, school name and teacher's name on the BACK of each art work
4. Include a covering note from the class with the art teacher's name, principal's name and school phone number.
5. Artworks to be received by 6th November 2009 at Suite 1, 20 Wangara Road, Sandringham, Victoria 3191

Notifications of Awards will be by telephone on 18th November, 2009. Suitable dates for the excursions will be by arrangement.

For ideas and information about the A380's size and proportions see the attached *Fun Facts*.

Fun Facts: comparative size and proportions of the A380 Airbus

Whale

The length of the aircraft is 72.6m, approximately the length of two blue whales.
