

VCE ART & STUDIO ARTS

Folio Development on CD Rom

Investigations and resolutions
Developing potential solutions
 Suitable for student & teacher use

Art Education Victoria Inc
 Leading Visual Arts Education

This CD Rom provides valuable resources:

- Learn from previously successful A+ students
- View visual presentations of practical processes from explorations to solutions
- View examples of developmental and resolved work in both studies
- Advice from successful VCE teachers
- Use as a classroom, group or individual resource
- Be inspired and motivated!
