

Issues for Us Art in Writing | 5

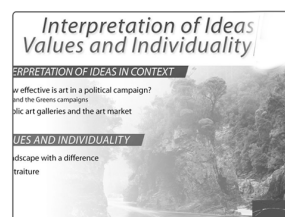

A CD-ROM resource for VCE Art and Studio Arts Units 3 & 4

Based on contemporary issues and commentaries including: Picasso and Dora Maar, Kate Durham - art and asylum seekers, and Azlan McLennan - Proudly UnAustralian.

This CD-ROM resource supports Units 1 & 2 Art and Studio Arts and acts as an introduction to Units 3 & 4.

It contains resources organised under broad themes: values and individuality in landscapes and portraiture, the interpretation of ideas in context – art in a political campaign, public galleries and the art market, careers in art.
